

Professional Licensure Disclosure  
Lewis University Educational Leadership for Teaching and Learning, Ed.D.

Lewis University has compiled the following resources to ensure students have information about educational requirements for professional licensure and certification in all U.S. states. The charts below provide links to state licensing agencies and boards of higher education, and reports whether Lewis University's program meets, does not meet, or cannot be determined if it meets licensure or certification requirements for each state.

Requirements for professional licenses vary by state. Additional training, field work, or examinations may be required. Students interested in becoming a licensed teacher in Illinois or another U.S. state or territory should inform themselves about licensure requirements in the state or territory in which they intend to live and work.

State by State Licensure Requirements

The following chart lists the licensure and certification requirements in the Lewis University Catalog for each state and territory. Links are provided to state licensing boards for those seeking information about requirements in a particular state.
